Destination Evergreen...

Evergreen is a beautiful mountain community located only 25 miles from Downtown Denver.

Well established as one of Colorado's hidden treasures and a popular day escape, the Evergreen community offers an array of parks, art galleries, theatre, restaurants, entertainment, and more.

Evergreen Lake, our crown jewel is fed by tributaries from Mt. Evans and is known for its all-season recreational activities such as boating, fishing, birding, ice-skating, weddings and concerts, and is bordered by mountain parks with miles of trails for hiking, biking, snowshoeing, and horseback riding.

If you need lodging for a family vacation, wedding or other event, a week away, or just a short weekend trip to escape the hustle and bustle of the city, Evergreen welcomes you!

If you have any additional questions regarding your visit, please contact us at the Evergreen Area Chamber of Commerce or visit our website.

Enjoy your stay in our beautiful community!
